Hi Claire,

This letter has all the EPA staff, including Bob, which I think is how you preferred it. Let me know if you need any changes

Hi Claire,

Is this correct? I am not able to contact Musa and want to be sure that I have all the right people on this letter - 6 EPA staff for 2 days each, including: yourself, Christine, Bill Stewart, Dustan Bott, Susan Poulson, and Bob Rose.

Best,
Carrie
